Why you need this cover

- » Only Mahindra original parts and Mahindra endorsed dealers authorised to conduct repairs - no compromise on quality and performance.
- » Covers the wear and tear items not covered as part of your service plan or warranty.
- » Prevent future damage and costs by attending to maintenance issues immediately.
- » Increase the resale value of your vehicle.
- » Affordable once-off fee.

Everyday driving can take its toll on your vehicle, especially on high wear and tear items like brake pads, wiper blades and shocks, to name a few. It always seems that when we least expected it, we are faced with high bills for worn out parts, and the reality is if they aren't attended to immediately, it can result in even larger expenses in the future and can put your safety at risk.

M-Guard covers these high wear and tear items so that you can keep your vehicle in top condition without breaking the bank.
